2. 1916 ലെ മതിരാശി മോട്ടാർ വണ്ടി ചട്ടങ്ങളിൽ ഈ ചട്ടങ്ങളിലെ നിബന്ധനകളുമായി യോജിപ്പുകിടിപ്പുള്ളതല്ലാതെ വാടകക്കു കൊടുക്കുകയോ കൂലിക്കു ഓടുകയോ ചെയ്യുന്ന മോട്ടാർ വണ്ടികൾക്കു ബാധകമല്ല.

3. അതിരാശിയിലെ പോലീസ് കമ്മീഷണർ നല്കിയ ഒരു ഉടമസ്ഥനുള്ള സമ്മതപത്രം കൂടാതെ അതിരാശി പട്ടണ മുനിസിപ്പാൽ അതിർത്തികൾക്കുള്ളിൽ യാതൊരു മോട്ടാർ വണ്ടിയും വാടകക്കു കൊടുക്കുകയോ കൂലിക്കു ഓടുകയോ ചെയ്യുകൂടാത്തതാണു്.

NOTIFICATIONS.

Fort St. George, March 21, 1929
(G.O. Mis. No. 772, P.H.).

No. 449.—The Government sanction a further extension of time up to the end of May 1929 for the preparation, printing and submission by the Salem Municipal Council of the Kumarswamipatti Extension Town-Planning Scheme called for in G.O. No. 1248, P.H., dated 16th June 1928.

Fort St. George, March 15, 1929
(G.O. Mis. No. 1269, L. & M.).

No. 450.—In exercise of the power conferred by the proviso to section 4 of the Madras Hindu Religious Endowments Act, 1926 (Madras Act II of 1927), the Local Government hereby declare that all the provisions of the Act except section 99 (5) shall

apply to the temple of Sri Bhrugunatheswaraswami at Naiyur, Cuddalore taluk, Kurnool district, the average gross income of which including the income from endowments connected therewith for a period of five years immediately preceding the commencement of the Act was less than Rs. 250.

Fort St. George, March 15, 1929
(G.O. Ms. No. 1270, L. & M.)

No. 431.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of the Government that the temple of Sri Ayyanar at Punjai Puzhur, Kurur taluk, Trichinopoly district, though endowed with 5 acres and 49 cents of dry lands capable of yielding an income of not less than Rs. 300 per annum has at present got no income as a result of the lands being alienated. It is considered desirable to bring the temple under the scope of the Hindu Religious Endowments Act, 1926, so that the temple committee having jurisdiction may appoint a suitable trustee, and take steps to have the lands restored. The hereditary pujaris who are the *de facto* trustees of the temple are agreeable to the temple being brought under the scope of the Act and the President of the Trichinopoly Temple Committee is also of the opinion that it would be in the interests of the temple to bring it under the scope of the Act. In these circumstances the Board requests the Government to apply to the said temple all the provisions of the Madras Hindu Religious Endowments Act, 1926, except section 63 (1) relating to the levy of contributions due to the Board. Before issuing a notification as suggested by the Board the Government desire to ascertain whether any pujari of or worshipper at the said temple has any objection to urge against such application. If no objection is received by the Government within a month from the date of publication of this notification in the district gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act except section 63 (1) to the said temple.

Fort St. George, March 15, 1929
(G.O. Ms. No. 1267, L. & M.)

No. 432.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of the Government that the temple of Sri Vinayagar at Uligani, Tirumangalam taluk, Madura district, the annual income of which is now below Rs. 251 and which is thus outside the scope of the Madras Hindu Religious Endowments Act, 1926, is being mismanaged and that puja is not performed regularly and that the income of the temple will be considerably increased if the temple is placed under better management under the supervision of the Periyakulam Circle Temple Committee and the Board. The President of the temple committee also considers it desirable to bring the temple under the committee. In these circumstances the Board requests the Government to apply to the said temple all the provisions of the Madras Hindu Religious Endowments Act, 1926, except section 63 (1) relating to the levy of contribution. Before issuing a notification as suggested by the Board, the Government desire to ascertain whether any worshipper of the temple has any objection to urge against such application. If no objection is received by the Government within a month from the date of publication of this notification in the district gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act except section 63 (1) to the said temple.

Fort St. George, March 15, 1929
(G.O. Ms. No. 1269, L. & M.).

No 433.—The Board of Commissioners for Hindu Religious Endowments brings to the notice of the Government that the temple of Sri Kalimuthar at Vinnichiperum, North Arcot district, the annual income of which is less than Rs. 250 and which is thus outside the scope of the Madras Hindu Religious Endowments Act, 1926, is being mismanaged and that the gurukkal who is the *de facto* trustee of the temple is not spending on it even a very small fraction of the income of the temple. It is reported that there is a strong local feeling that if the temple were to be brought under control the services and even the renovation of the temple are capable of improvement. The Board agrees in this view and requests the Government to apply to the said temple all the provisions of the Madras Hindu Religious Endowments Act, 1926. Before issuing a notification as suggested by the Board, the Government desire to know whether the gurukkal or any worshipper at the said temple has any objection to urge against such application. If no objection is received by the Government within a month from the date of publication of this notification in the district gazette, the Government will proceed to issue a notification under the proviso to section 4 of the Act applying all the provisions of the Act to the said temple.

NOTICES TO MARINERS.

No. 2 of 1929.

India—West Coast—Cochin Harbour—Caution.

Dredging operations in Cochin approach channel completed. Maximum depth 33 feet L.W.O.S Tides. Dredger "Lord Willingdon" with pipe-line brought into inner harbour. The spoil from approach channel has been deposited on northern side, forming islands, visible at high water. Masters of vessels should exercise caution when approaching Cochin Roadstead.

The approach channel will be temporarily buoyed shortly.

No. 3 of 1929.

[India—West Coast—Cochin Harbour—Entry of vessels into the inner harbour.]

Steamer agents are informed that arrangements are being made to temporarily buoy the approach channel, and on completion of same steamers will be permitted to enter the inner harbour at their own risk and under the same conditions as last year.

As moorings have not yet been placed in the inner harbour steamers will have to moor with their own anchor gear, as hitherto and when moorings are being put down in certain positions, such as the

Gut moorings, it will probably be necessary to temporarily suspend the entry of steamers into the inner harbour.

3. In addition to the solvency certificate mentioned in paragraph 2, the successful bidder should produce before he executes the agreement, a solvency certificate from the Tahsildar of the taluk showing the details of the property possessed by him and the amount up to which he is solvent.

4. The sales are subject to confirmation by the Collector of Nellore who reserves to himself the right to reject any bid without assigning reasons therefor. In the case of any dispute arising at the conduct of sale the Collector's decision shall be final.

5. At the close of the sale the deposit of unsuccessful bidders will be refunded to them, while those of the highest bidders will be retained and credited towards Revenue deposits as security for the due fulfilment of the terms of the agreement. These amounts will after receipt of orders of confirmation of sale be adjusted to Postal savings bank deposits and Savings Bank pass books opened for them in the name of the Revenue Divisional Officer.

6. The successful bidder should at the close of the sale pay one fourth of the sale amount if the bid exceeds Rs. 200 or the full amount if it is less than Rs. 200 to the Panchayat Deputy Tahsildar. These amounts will be credited to Revenue deposits in the first instance to be adjusted to the proper head on receipt of orders confirming the sale. Should he fail to pay the above amount immediately, the coupe will then and there be resold at the risk of the defaulter, the earnest-money deposit made by him forfeited to Government and any loss accruing to Government on account of the resale recovered from him as an arrear of land revenue.

7. If the bid is over Rs. 200 it shall be paid in four instalments within the dates given below or in any other way that the Collector may decide in special cases. The earnest-money deposit made before the sale will be deducted from the last instalment.

9. The contractor will not be permitted to enjoy the lease without a licence which will be issued only after he pays the necessary preliminary dues and executes an agreement.

10. The contractor may pay the second, third and fourth instalments in advance and be allowed to enter the second, third and fourth strips respectively, if his work in the previous strip is completed before-hand. If a coupe is divided into two or three strips, the contractor shall pay the second, third and fourth instalments before he enters the second or third strip.

11. Interest will be charged at 6¼ per cent per annum on an overdue instalment. If instalments are not paid on the dates on which they are due, enjoyment will be suspended until such time as the amount is paid up with interest. If the instalments are not paid within two months after the due date with interest, or on the event of any breach of the conditions of sale, the Collector may resell or cancel the contract and forfeit all payments already made to Government and recover the overdue instalments as arrears of land revenue.

12. The special attention of the intending bidders is drawn to condition 10 of the agreement which requires the contractor to put up a fence around the coupe leased to him. He will also be required to put up a fence on both sides of all recognised cart-tracks that go through the coupe.

712. Read and recorded G.O. Mis No. 100, Finance (Marine), dated the 22nd February 1929, directing the publication in the *Fort St. George Gazette* of a notification to the effect that Mr. R. D. Denniston of Messrs Best & Co., Ltd., has been elected by the Madras Chamber of Commerce to be a Trustee of the Port of Madras, *vice* Mr. F. Birley, resigned.

713. Read again Resolution No. 30, dated the 23rd April 1927, on the subject of the election of M.R.Ry. V. Venkateswara Sastrulu Garu as the representative of the Board on the Madras City and Suburban Town-Planning Trust.

Read a letter No. T.P.T. 12/28, dated the 20th February 1929, from the Chairman of the Madras City and Suburban Town-Planning Trust intimating that the Trust had accepted with effect from the 23rd August 1928 the resignation tendered by M.R.Ry. V. Venkateswara Sastrulu Garu of his seat on the Trust and requesting the Board to elect a new member in his place.

Resolved that the Chairman of the Madras City and Suburban Town-Planning Trust be informed that Mr. H. S. Walton was elected by the Board at this meeting as their representative on the City and Suburban Town-Planning Trust, *vice* M.R.Ry. V. Venkateswara Sastrulu Garu, resigned.

714. Read a note by the Chairman on the subject of the negotiations that have been going on in the past between the Standard Oil Company of New York and the Trust with regard to the provision of rail connexion to a depot for the despatch of bulk and packed petrol by both broad and metre gauge wagons which they proposed to establish on a plot of land, acquired by them for the purpose, outside the Trust's boundary and about 1,000 feet from the Trust's Casuarina Staff quarters. The Chairman submitted the Chief Engineer's plan showing the proposed rail connexion and two estimates. The first, amounting to Rs. 20,760, is for the reconditioning to a standard fit for carrying the proposed traffic of a section of the revetment line for a length of about 1,020 feet from a point near the Casuarina Staff quarters and for the provision of a siding from the revetment line towards the proposed depot up to the limit of the Trust's boundary. The second, amounting to Rs. 21,000 inclusive of the Trust's centage charges, is for the extension beyond the Trust's boundary to within the Company's depot of the siding from the revetment line. The Chairman stated that the Company asked the Trust to carry out the works comprised in the two estimates and, while ready to bear the entire expenditure on the second of the estimates themselves, wished the Trust to meet the expenditure on the first of the estimates and expressed their willingness to give, in return, a guarantee for the payment by them for a period of years of a minimum sum by way of harbour terminal charges on the traffic booked from the depot.

Resolved that the plan and the estimates be approved, subject to the settlement with the firm at a later date of the actual terms of agreement with regard to the conditions of use of the line and siding within the Trust's boundary and any minimum guarantee of traffic required. Resolved further that Rs. 13,500 of the expenditure on the first of the estimates, being the cost of reconditioning a section of the revetment line, be debited to Revenue head 3, Engineering and Maintenance—(iii) Tracks, and that the balance of Rs. 7,260, being the cost of the siding from the revetment line up to the Trust's boundary, be debited to Capital subject to sanction of Government under section 75 of the Madras Port Trust Act—funds being provided to Capital by means of contributions from Revenue.

Resolved further that the work of extending the siding beyond the Trust's boundary up to within the Company's depot at the Company's cost, i.e., the work coming under the Rs. 21,000 estimate, be undertaken by the Trust subject to the Company agreeing to deposit the cost of the work with the Trust.

715. Read again Resolution No. 654, dated the 8th February 1929, approving of an estimate amounting to Rs. 575 for the provision of electric lights in the northern half of the southern compartment of warehouse "X" at present leased to Messrs. The East Asiatic Company, Ltd., as well as of the debit of the expenditure to the Capital estimate amounting to Rs. 2,00,000 sanctioned in G.O. No. 345, Marine, dated the 1st November 1913, for the electric equipment of the Trust's premises.

Read a note by the Chief Engineer submitting an estimate amounting to Rs. 285 for certain additions to the installation, asked for by the lessees, consisting of the provision of one fan and two lights on the 1st floor of the leased accommodation, and requesting that the estimate be sanctioned debitable to Capital in view of the contemplated closure of the 2 lakh estimate above referred to at the end of the current official year.

Resolved that the estimate amounting to Rs. 290 for additions to the electric installation in the northern half of the southern compartment of warehouse "X" be approved and that the expenditure be debited to Capital subject to the sanction of Government under section 75 of the Madras Port Trust Act—funds being provided by contributions from Revenue to Capital.

716. Read a note by the Chief Engineer stating that Messrs. The Burmah Shell Oil Storage and Distributing Company of India, Ltd., had asked that a culvert, estimated to cost Rs. 1,700 inclusive of the Trust's centage charges, be provided at their cost at the place, north of No. 1 gate, where their oil pipe lines cross the Trusts' Railway track and requesting sanction to his carrying out the work.

Resolved that the sanction asked for be accorded.

717. Read a note by the Chairman recommending for reasons given the remission of

(1) the wharfage charges that had accrued from the 22nd to the 26th February 1929 inclusive on consignments booked to the firm of Messrs. C. K. Narayana Iyer & Sons, but claimed by other parties owing to the recent failure of that firm ; and

(2) the harbour dues on those of the consignments which were removed from the Harbour otherwise than for the purpose of shipment.

Resolved that, as a special case, the remission recommended be approved and that sanction of Government as required by section 44 (2) of the Madras Port Trust Act be obtained to the proposed remissions.

718. Recorded that Mr. J. Chance, Second Assistant Traffic Manager, returned to duty on the forenoon of the 5th March 1929 after the expiry of the one month and four days leave on average pay granted him in Resolution No. 628, dated the 24th January 1929.

719. Read a note by the Chief Engineer, supported by the Chairman, submitting the applications received for the post of Second Engineer of the dredger "Madras" and recommending the appointment thereto of Mr. H. Halsall, one of the applicants for the post.

Resolved that the appointment of Mr. H. Halsall as Second Engineer of the dredger "Madras" be approved.

720. Read a note by the Chairman stating that, in anticipation of the sanction of the Board, he had obtained, from the Agent, Madras and Southern Mahratta Railway, with effect from the 12th February 1929 the loan of the services of two Audit Inspectors of the Railway for a short period for dealing with the traffic which continued to arrive at the harbour for the firm of Messrs. C. K. Narayana Iyer & Sons, even after they had suspended business, and requesting sanction to the payment of the charges due to the Railway for this loan.

Resolved that the Chairman's action be approved and that the bill amounting to Rs. 362-11-0 submitted by the Railway for the loan of the services of two Audit Inspectors from the 13th to the 26th February inclusive be paid.

Resolved also that the thanks of the Board be conveyed to the Agent, Madras and Southern Mahratta Railway, for the very prompt assistance given by him.

721. Read notes by the Chief Engineer, supported by the Chairman, recommending for reasons given that the following changes in the work charged establishment be sanctioned :—
